

STREET CHILDREN INTERNATIONAL
12 LODGE ROAD
GREAT NECK, NY

CONFLICT OF INTEREST POLICY

- A. Members of the board shall not personally benefit as a result of their board involvement except for reasonable compensation of services rendered. The purpose of this provision is to prevent Board members from acting primarily on the basis of financial self-interest and to prevent Street Children International from operating in a manner that favors board members to the detriment of others.
- B. In the event that the board considers an issue that involves, the financial relationship between Street Children International and a member of the board, the Board member will disclose to the Board the financial relationship that the particular Board member has, with respect to the issue. The Board Member shall refrain from voting on the matter.
- C. Board members who serve as an employee or volunteer in a decision making capacity on behalf of another organization which Street Children International is working with or transacting business with, shall inform the Board president as to their involvement in the said organization.
- D. It should be mentioned that the Conflict of Interest Policy as enumerated herein applies to a board member's family as well as themselves.
- E. Members of the board shall not engage in any outside activity or employment which involves the direct or indirect use of information obtained as a board member that will provide financial gain to him or her or a member of his immediate family without the express consent of the President. The President shall not similarly act without the express consent of the Street Children International's Board.
