Appeal for Donation

Approximately 99 cents of every dollar that you donate is utilized for the cause of supporting the needs of the children.

The mission of Street Children International is to provide education, food, lodging, and marketable skills, based on the needs of impoverished children within and outside of the USA, irrespective of race, religion, nationality, sex, color, or creed, in partnership with other recognized not-for-profit organizations, to facilitate the transition of such children from poverty to economic growth and upward mobility.

We remain committed to providing nutrition, education, and other forms of support for destitute children. Please donate generously, so that we may disburse funds to our grant recipients who are doing the necessary work of educating, feeding, and sheltering children.

Children of SCI-supported schools receive educational opportunities, nutritious meals, and support for health and well-being.

Celebrating 39 Years of Service to Disadvantaged Children

Street Children International (SCI) has successfully completed 39 years of serving destitute children. This success would not have been possible without the consistent, unwavering support of our members who are determined to make a difference in the lives of disadvantaged children. SCI members hold meetings in their own homes and volunteer many hours of their time so that the funds can go directly to meet the needs of the children whenever possible. Out of every dollar collected, 99 cents are used for the children. Our administrative costs are scrutinized and pared down to basic operational needs - printing costs, mailing costs, etc. Our individual homes serve as our offices.

During the past 39 years, SCI has served hundreds of children who have learned the value of education in achieving their potential. The children in the SCI-supported schools have grown up with a strong belief that living a good life is possible if you believe in yourself. Many of these children have been able to help their family and friends to strive for a better life.

Some of our children have gone on for higher studies in local colleges, technical institutes, and even to medical college. We are hoping this positive outcome would inspire more people to join us as members and bring in their own suggestions and referrals for SCI assistance. Active participation of members can have an impact in the lives of hundreds of destitute girls and boys living in unimaginable hardship. By sparing a few dollars of our money, donors have the satisfaction of knowing that we were able to reduce some suffering and carving a path towards a life of dignity. It has been quite an adventure to inspire the children to dream big! We invite you to share our experience and be a part of this adventure.

SCI's annual fundraising program is a key event where we collect donations to support the continued effort in transforming the lives of many poor children and offer a new world of opportunities to the most underprivileged among us.

We welcome everyone to get involved: attend our meetings, learn about our current projects, and help us support these wonderful, motivated children.

In Memory of Mrs. Ila Das

We are saddened by the passing of Mrs. Ila Das on July 25, 2026. She was the first secretary of Street Children International and was dedicated to the mission of the organization. She was a traditional, intellectual person who was known for her warm personality and zest for life.

Remembering Mrs. Ila Das: Ila Das initially introduced me to the members of Street Children International and encouraged me to attend the organization's meeting. Her dedication and her sincere commitment inspired my family to become involved as volunteers and support SCI's mission of educating and feeding underprivileged children. Fortunately, my family members were able to take on greater responsibility and we still continue to support the activities of Street Children International. Mrs. Ila Das will always have a special place in our hearts and the friends of the organization will fondly cherish her sincere contribution for this worthy cause.
